Masters Hockey Program
England Hockey

Dear Steve,

The International Masters Hockey Association (IMHA) is one of FIH recognised organisations that co-ordinates Masters Hockey throughout the world.

The Masters World Cup (>35 up to < 60 years of age) will be held in Terrassa, Spain between 27 July to 5 August 2018. This event will be the largest ever with some 145 teams registered to participate in the competition.

As you can imagine, this requires an enormous number of umpires and technical officials to ensure the success of the event. The IMHA is also very keen to raise the standard of event officiating and to ensure it is truly international.

The IMHA is urgently seeking your assistance to recruit qualified umpires and technical officials to the event. A short promotional presentation is attached for your information and assistance.

The Tournament Delegate, Antonio Morales, is the direct contact for enquiries or expressions of interest. Antonio would require the following information:

- name
- email address
- telephone number(s)
- qualification (umpiring or technical)
- recent experience.

Antonio's email address is emorlaes15@icloud.com

We look forward to your support in this matter.

Your sincerely,

SUE BRIGGS
Hon. Secretary
IMHA

The International Masters Hockey Association (IMHA) Ltd. is a Non-Profit making organisation.
