Midlands Young Umpiring Appointment Policy

England Hockey have specific recommendations regarding young umpires officiating senior hockey matches, as follows ...

"It cannot be emphasised enough that England Hockey recommends that U18 umpires, other than those approved by the NYUAG and RYUAGs, do not umpire adult matches unless supervised by appropriately qualified and checked coaches/mentors.

Welfare precautions should ensure the deployment of young umpires to games appropriate to their stage of development."

Midland Region Hockey Umpiring Association, and specifically the Midlands RYUAG, support this policy fully.

Any appointments of young umpires to senior or junior matches will only be made after careful consideration of the abilities, welfare and development needs of any young umpires concerned.

The [Committees](#) page shows the members of the Midlands Young Umpiring.

It also shows the contacts for each County Association (both the young umpire representative **and the appointments co-ordinators responsible for appointing young umpires in each county**).
