Report to the EMHUA AGM April 2019

Although for the 2018/19 season, the website currently shows 95 members made up of 8 life members, 7 national, 12 regional and 27 local panel umpires plus 41 paid up members, I have, to date, had only 45 members join/re-join in total through me. Of these 45, 18 have paid by cheque (2 of those have paid for last season as well) 27 by BACS, 0 junior umpires.. One umpire has left the area. I have sent a list of those that have paid me through to the Treasurer to be marked on the web as paid. All England Hockey numbers, where available, have been entered into the website.

The payments received to date are made up as follows:
