

Report to the EMHUA Annual General Meeting

April 2019

EMHUA Child Protection and Welfare

1. Update on DBS Checks

There are no outstanding DBS checks required for those existing currently on the system.

The GBG Online Disclosures system is working well and generally has a swift turn around rate.

2. The next cohort of checks are due to expire from August 2019, and will be contacted, registered on line, and arrangements made to progress ID verification from May/June 2019.

3. No other concerns or issues outstanding.
